Level of responsibility I'd like:
Muiti functional so I can pick up or add to my skill set

Other responsibilities hoped for:

Being able to lead the projects creative process/theory.

Petal 6

My preferred place to live:

1. Europe: France, Italy, Austria, Germany, Amsterdam, Denmark, Spain
2. Uk
3. Korea
4. USA: LA, San Francisco

Petal 7

My purpose in life is to be able to create through design, and keep learning as I move on to the next task. And maybe live in numerous countries to understand different cultures. I guess my man philosophy is to never be stuck doing the same thing, or just be stuck in the same place and not see what's else is out there.
